Subject: MSB C-Level 500 Side Construction Activity: Noise Disruption
Date: Monday, July 13, 2026 3:29:28 PM
Attachments: [image001.png](#)
Importance: High

NOTICE – NOISE AND DISRUPTION - RENOVATION ACTIVITIES

MEDICAL SCIENCE BUILDING (MSB) C LEVEL – C500 SIDE

MULTIPLE ROOMS – ADMINISTRATIVE OFFICE MODIFICATIONS

Please be advised that Institutional Planning & Operations (IP&O) University Facilities Project Services and their contractors will be making modifications to multiple offices on the **C Level – C500 Side** of the building.

BUILDING/AREAS AFFECTED: Medical Science Building, Level C, C500 Side

START DATE/TIME: Monday, July 13, 2026 at 7:00 am

END DATE/TIME: TBD

IMPACT TO BUILDING(S): High noise level work will be conducted during normal hours of operation. Intermittent noise is anticipated throughout the days, as well as minor traffic disruptions on Level C. Plastic dust barrier will be installed around the work area to help contain dust and debris.

Occupants of **MSB Levels B and C** may experience increased noise levels and disruption.

This work is being performed by Institutional Planning & Operations (IP&O) University Facilities' Project Services contractors.

Thank you for your attention and continued support.

For any issues during the event, please contact the IP&O Work Control Center at 973-972-5400.

Contact njms_facilities@njms.rutgers.edu for additional NJMS specific information.
